

Gawler Golf Club + Housing Redevelopment Master Plan

Jensen Planning + Design were engaged by Urban Pacific to design a concept for the Gawler Golf Club at Sandy Creek.

The golf course redevelopment involves the creation of 275 residential allotments and tourist accommodation integrated with the existing golf course.

Improvements to the golf course will include reconfiguration of existing and construction of new holes, several new lakes and wetlands and a new clubhouse.

Location: Sandy Creek
South Australia

Client: Urban Pacific Limited

Budget: \$20,000

Date: 2008

In association with:
Crafter + Mongford
